### **About Village Farms International, Inc.**

Village Farms is one of the largest and longest-operating greenhouse growers in North America, and is leveraging its decades of experience in large-scale, low-cost intensive agriculture and as a vertically integrated produce supplier to pursue high-value, high-growth plant-based Consumer Packaged Goods opportunities in cannabis and CBD in North America and selected markets internationally.

In Canada, British-Columbia-based Pure Sunfarms is one of the single largest cannabis operations in the world, the lowest-cost greenhouse producer, one of the best-selling brands, and has generated profitability for six consecutive quarters.

In the U.S., subject to compliance with all applicable U.S. federal and state laws, Village Farms is pursuing a strategy to become a leading developer and supplier of branded and white-labeled CBD products targeting "big box" and other major retailers and consumer packaged goods companies, and with one the largest greenhouse operations in country, is well positioned for the potential federal legalization of high-THC cannabis.

Internationally, Village Farms is strategically targeting selected, nascent, legal cannabis and CBD opportunities with significant long-term potential, with an initial focus on the Asia-Pacific region through its investment in Australia-based Altum International.
