About Village Farms International, Inc.

Village Farms is one of the largest and longest-operating vertically integrated greenhouse growers in North America. Village Farms produces and distributes fresh, premium-quality produce year-round to national grocers in the U.S. and Canada from more than nine million square feet of Controlled Environment Agriculture (CEA) greenhouses in Canada and the U.S., as well as from its partner greenhouses in Canada and Mexico. The Company is leveraging its 30 years of experience as a large-scale, low-cost vertically integrated grower for the rapidly emerging global cannabis and CBD opportunities. In Canada, British-Columbia-based Pure Sunfarms (majority-owned by Village Farms) is one of the single largest cannabis operations in the world and one of the best-selling brands in the country. In the U.S., subject to compliance with all applicable U.S. federal and state laws, the Company is pursuing a strategy become a leading developer and supplier of branded and white-labeled CBD products targeting "big box" and other major retailers and consumer packaged goods companies, and with one the largest greenhouse operations in country, is well positioned for the potential federal legalization of high-THC cannabis. Internationally, Village Farms is strategically targeting nascent, legal cannabis and CBD opportunities with significant long-term potential.
