### – Purchase is Immediately Accretive to Adjusted EBITDA, Net Income –

VANCOUVER, British Columbia and ORLANDO, Fla., May 30, 2024 (GLOBE NEWSWIRE) – Village Farms International, Inc. (“Village Farms” or “the Company”) (NASDAQ: VFF) today announces it has increased its ownership of Quebec-based Rose LifeScience Inc. (“Rose”) by 10% to hold an 80% interest.

“Village Farms’ initial 70% acquisition of Rose stands out as one of the most complementary business combinations to date in the Canadian cannabis industry. Since late 2021, the combination of the experienced teams at Rose and Pure Sunfarms have driven Village Farms into the number two share rank nationally as Rose sales grew more than 300% to reach the number two share rank in Quebec, with each closing the gap to number one,” said Michael DeGiglio, President and Chief Executive Officer, Village Farms.

“We have the opportunity to further grow our business as part of Village Farms, while continuing to focus on and support our home market in Quebec,” added Davide Zaffino, co-founder, President and Chief Executive Officer, Rose.

The additional 10% of Rose was purchased from Mr. Zaffino and Rose co-founder and Chief Operating Officer, Brian Stevenson. Each will continue in their current roles and, together, continue to own 20% of Rose.

### About Rose LifeScience

ROSE LifeScience is committed to ensuring that consumers benefit from the responsible production, sale, and consumption of cannabis in Québec and across Canada. From cannabis cultivation to marketing, commercialization, and logistics, the Huntingdon, QC company plays a key role in the Québec market. In addition to its own products and expertise, ROSE provides specialized industry services to selected producers to encourage a diversified offering in the Québec and Canadian markets. Rose LifeScience is majority owned by Village Farms International (Nasdaq: VFF) with the balance owned and operated by its Québec-based founders. ### About Village Farms International

Village Farms leverages decades of experience as a large-scale, Controlled Environment Agriculture-based, vertically integrated supplier for high-value, high-growth plant-based Consumer Packaged Goods opportunities, with a strong foundation as a leading fresh produce supplier to grocery and large-format retailers throughout the US and Canada, and new high-growth opportunities in the cannabis and CBD categories in North America, the Netherlands and selected markets internationally.

In Canada, the Company's wholly-owned Canadian subsidiary, Pure Sunfarms, is one of the single largest cannabis operations in the world, the lowest-cost greenhouse producer and one of Canada's best-selling brands. The Company also owns 80% of Québec-based, Rose LifeScience, a leading third-party cannabis products commercialization expert in the Province of Québec.

In the US, wholly-owned Balanced Health Botanicals is one of the leading CBD brands and e-commerce platforms in the country. Subject to compliance with all applicable US federal and state laws and stock exchange rules, Village Farms plans to enter the US high-THC cannabis market via multiple strategies, leveraging one of the largest greenhouse operations in the country (more than 5.5 million square feet in West Texas), as well as the operational and product expertise gained through Pure Sunfarms' cannabis success in Canada.

Internationally, Village Farms is targeting selected, nascent, legal cannabis and CBD opportunities with significant medium- and long-term potential, with an initial focus on the Asia-Pacific region and Europe.
