Final voting results of all matters voted on at the Meeting will be filed with the Securities and Exchange Commission and will be available at www.sec.gov, and will also be filed in Canada on SEDAR (www.sedarplus.ca) later today.

About Village Farms International, Inc.

Village Farms is a global leader in cannabis, plant-based consumer packaged goods, and sustainable innovation. With a legacy built on decades of Controlled Environment Agriculture expertise and Dutch farming practices, today the Company is one of the world's largest and most profitable cannabis operators with an asset portfolio that spans over 7 million square feet of advanced greenhouse and indoor cultivation assets.

In Canada, Village Farms operates the world's largest EU-GMP certified cannabis facility at its production campus in Delta, British Columbia, and exports products to international medical markets. The Company is also a market share leader in dried flower formats and produces and distributes some of the country's highest quality and best-selling strains, including its flagship Pure Sunfarms Pink Kush, one of the most widely consumed strains on the planet. Village Farms' Canadian brand portfolio includes Pure Sunfarms, Fraser Valley Weed Co., Soar, Super Toast, Pure Laine, Tam Tams and Promenade.

In the Netherlands, the Company is one of only ten licensed operators in the country's regulated cannabis program, and in the United States its CBDistillery brand is one of the country's premier cannabinoid wellness platforms, and it also holds equity interests in cannabis businesses in Australia and Germany. Beyond cannabis, the Company's Clean Energy division transforms landfill gas into renewable natural gas, and it also holds an equity interest in Verdexa Holdings (formerly Vanguard Food LP), a private venture pursuing strategic acquisitions to build a premier branded food platform in North America.
